The Black, White & Pink Ball

is the must-attend event of the season, drawing over 250 guests from across Silicon Valley!

This is the perfect opportunity to showcase your brand while showing up and raising funds to improve the lives of foster youth in our local community. The event will feature live music from a 6-piece band, a mission speaker, a live auction, and so much more.

SUPPORT OUR FOSTER CHILDREN

There are approximately **650 foster children** in the Santa Clara County Dependency Court System at any given time.

Every one of them has **experienced abuse, neglect, and/or abandonment.**

Every one of them **deserves a Court Appointed Special Advocate (CASA) Volunteer.**

Child Advocates of Silicon Valley serves foster children of all ages, from birth to 21 years, by operating the Court Appointed Special Advocate (CASA) program in Santa Clara County, building enduring community partnerships to broaden and strengthen our impact, and influencing local policies and decisions that affect the children we serve.

We recruit, train, and support **CASA Volunteers** who are appointed by a judge to be a mentor, advocate, and voice for children in foster care. Assigning a CASA to a foster youth is the intervention needed to reduce the impacts of experienced trauma.

CASA Volunteers work with legal and child welfare professionals, educators, service providers, and family members to ensure every child's voice is heard. Their advocacy is crucial and enables judges to make the most well-informed decision for each case.
